

Teachers: This worksheet provides an outline of the digiCOACH app. As your administrator leads the discussion about the practice walkthrough, use this worksheet to record your thoughts.

FOUNDATIONS

- **Focus-** The posted Common Core Standard drives the objective to focus the lesson.
- **Precision-** The lesson provides opportunities for a narrow and deep learning outcome as it relates to the standard.
- **Coherence-** Learning objectives are organized to extend previous learning and the inter-relatedness among standards.
- **Technology-** Students utilize a wide range of multimedia tools to complete meaningful tasks related to the standard.

STRATEGIES AND COACHING TIPS: _____

RIGOR AND RELEVANCE

- **Task-** Student tasks apply core knowledge or skills to solve real-world problems.
- **Inquiry-** Students complete the inquiry process for real-world purposes.
- **Applications-** Students extend knowledge to relevant applications for interdisciplinary and contextual learning.
- **Rigor-** The lesson is complex and conceptually challenging, requiring students to deal with dilemmas, take positions, and conduct inquiry.

STRATEGIES AND COACHING TIPS: _____

LITERACY ACROSS CONTENT AREAS

- **Vocabulary-** Students have repeated exposure to new words with opportunities for making connections in a variety of contexts.
- **Complex Text-** Students have sustained exposure to complex text with minimal scaffolding.
- **Evidence-** Students support and defend written and oral claims with text, data, and evidence.
- **Writing-** Students write across the content areas as part of the learning process.

STRATEGIES AND COACHING TIPS: _____

THINKING PROCESS

- **Procedural Fluency-** Students practice procedures to solve problems and complete tasks.
- **Conceptual Understanding-** Students formulate knowledge frameworks for a concept through contextual changes.
- **Evaluation-** Students evaluate claims or solutions based upon a set of values and criteria, verbally and in writing.
- **Extension-** Students extend concepts to complex and unpredictable situations, demonstrating academic perseverance.

STRATEGIES AND COACHING TIPS: _____

COLLEGE AND CAREER READINESS

- **Communication-** Students listen, interpret, and articulate ideas verbally and in writing across the disciplines.
- **Collaboration-** Student collaboration includes academic language and rich discussion related to the learning task.
- **Critical Thinking-** Students reflect critically during learning experiences and processes.
- **Creativity-** Student ideas reflect evidence of originality, inventiveness, and innovation.

STRATEGIES AND COACHING TIPS: _____
